

## PROFESSIONAL SUMMARY

Analytical and results-driven Financial Operations Analyst with 1+ years of experience in syndicated loan processing, reconciliation and operational accounting at S&P Global. Proven expertise in trade settlements, balance reconciliation, interest calculations, and transaction validation, maintaining 99.8%+ accuracy in high-volume financial environments. Skilled in process improvement, data-driven decision-making, and strategic analysis, with a strong track record of collaborating with global financial institutions including JPMorgan, BlackRock, and Goldman Sachs.

## PROFESSIONAL EXPERIENCE

### S&P Global

Quality control associate | July 2024- Present

- QC'd **15,000+** syndicated loan transactions across high-risk rate options (CME SOFR, LIBOR, SONIA, EURIBOR).
- Maintained **99.9%+ accuracy** by identifying and resolving incorrectly processed transactions.
- Handled **end-to-end** daily processing of financial assets, including loans, bonds, ABS, equities, and CLO's.
- Resolved **discrepancies** and collaborated with clients (e.g., Goldman Sachs, JP Morgan, BCG) under tight **SLA deadlines**.
- Executed **operational accounting** functions e.g. interest accruals, Paydown, restructures, settlement processing .
- Conducted **multi-level checks** and data audits to ensure clean financial records aligned with **compliance guidelines**.
- Resolved 500+ outstanding issues/** discrepancy cases for clients on issues monthly **interest payment amounts, amendments/restructures, trade set-up etc.**
- Collaborating & representing my team in various **Team Leaders conferences**, interacting and participating with **team members/entities**.

### Vidyuttech

Founder's office Intern | June, 2023 - July, 2023

- Analyzed 700+ CIBIL reports** to evaluate client eligibility and diagnose loan disbursement issues. Discovered that poor lead quality, evident from repeated rejections by multiple lenders, was the core problem, **resulting in a 53% improvement in lead quality** post-analysis. Conducted a **comprehensive survey engaging 2-wheeler EV** owners, dealerships, and potential buyers to assess the market's receptiveness towards Vidyuttech's Subscription model. Forming a **successful market entry strategy**. **Worked on a credit hindsight analysis**, establishing key parameters and **analyzing 30 cases**, including both approved and rejected applications, to
- identify trends and inform future decision-making.

### Sleepwell

Sales and Supply Chain Intern | June, 2022 - July, 2022

- As a **Sales Intern**, I engaged with clients visiting the retail shop, **successfully closing multiple sales** and building strong customer relationships. This experience enhanced **my interpersonal and communication skills**, allowing me to effectively understand and address customers' needs.
- Simultaneously, as a **Supply Chain Intern**, I actively **analyzed the supply chain system** by visiting different retailers. This hands-on approach helped me identify and resolve various challenges, ultimately contributing to the **optimization of the supply chain**.
